**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have had AT&T internet service in the past and found them to be lacking in concern over their poor service to my home/office. I made the change to a competitor (Sonic) and could not be more pleased with the competitive price and quality of service.

I am looking forward to upgrading to fiber with Sonic and would hope that you will not allow AT&T to block competition in Southern California.
